

steelmans**push**

standard broaching machine

Pushing Power:	6 - 50 tons
Broaching Stroke:	600 - 1000mm
Cutting Speed:	4 - 16 m/min
Return Speed:	8 - 16 m/min

Years of experience in push broaching brings the ultimate in control and speed. For use with both custom push broaches and standard "off the shelf" broaches to cut keyways, squares, hexagons etc. This is without doubt the best push broaching machine on the market.

Steelmans manufacture a complete range of broaching machines to suit all requirements and budgets. We can design a machine from the ground up to suit your exact requirements. To view our full range of broaching machines or to contact us regarding a custom application please visit www.steelmans.co.uk
